**RE: NONCOMPLIANCE WITH 2011 CONSUMER CONFIDENCE REPORT (CCR)
Inyokern Community Services District**

Dear Mr. Bebee:

Attached you will find a Citation No. 03-19-13C-034 that the Department of Public Health is issuing to the Inyokern Community Services District (hereinafter District) to document the District's noncompliance with the Consumer Confidence Report (CCR) requirements as specified in the California Health & Safety Code (CHSC) and Title 22, California Code of Regulations (details provided in Citation No. 03-19-13C-034).

Based on review of our files, the District has failed to provide its customers with the CCR for the year 2011. By a letter dated January 11, 2013, the Department notified the District about this noncompliance issue and requested submittal of the 2011 Consumer Confidence Report and Certification Form by January 22, 2013.

Please note that a written response to the Citation is required by March 8, 2013. In addition, the Citation includes several directives and deadlines. Failure to comply with the citation directives will result in additional enforcement action including civil penalty. If you have any questions concerning any directive of the Citation, please call Osiel Jaime with this office at (661) 335-7347.

Sincerely,

Jaswinder S. Dhaliwal, P.E.

**CITATION FOR NONCOMPLIANCE – Water System No. 1510036
2011 CONSUMER CONFIDENCE REPORT**

Citation No. 03-19-13C-034

Issued on February 8, 2013

Section 116650, Chapter 4 of the California Health and Safety Code (CHSC), authorizes the issuance of a Citation for failure to comply with a requirement of any section of the California Safe Drinking Water Act, or any regulation, standard, permit, or order issued thereunder.

VIOLATION

The Drinking Water Field Operations Branch of the California Department of Public Health (hereinafter “Department”) hereby issues a Citation to Inyokern Community Services District (hereinafter “District”), for failure to comply with Section 116470 of the CHSC, and Section 64480.(a), Section 64483.(a) and Section 64483.(c) of Title 22, California Code of Regulations. Specifically, the District failed to distribute by July 1, 2012, a Consumer Confidence Report (CCR) to each water system customer providing specific information on the water quality served to consumers during the year 2011.

Section 116470.(a) Consumer Confidence Report

Section 116470.(a), CHSC, specifies that as a condition of its operating permit, every public water system shall annually prepare a consumer confidence report and mail or deliver a copy of that report to each customer.

Section 64480.(a) Consumer Confidence Report – Applicability and Distribution

Section 64480.(a), Title 22, California Code of Regulations, specifies that each community and nontransient-noncommunity water system shall prepare and deliver the first Consumer Confidence Report by July 1, 2001, and subsequent reports by July 1 annually thereafter.

Section 64483.(a) Consumer Confidence Report Delivery and Record Keeping

Specifies that each water system shall mail or directly deliver one copy of the Consumer Confidence Report to each customer.

Section 64483.(c) Consumer Confidence Report Delivery and Record Keeping

Specifies that no later than the date the water system is required to distribute the Consumer Confidence Report to its customers, each water system shall mail a copy of the report to the Department, followed within three (3) months by a certification that the report has been distributed to customers, and that the information is correct and consistent with the compliance monitoring data previously submitted to the Department.

As described in Section 64481, Title 22, California Code of Regulations, the CCR is to provide, as a minimum, source of water purveyed by the public water system, specific information on concentrations of microbiological contaminants, minerals, physical agents, inorganic chemicals, organic chemicals, radioactivity, sodium, hardness, disinfection by-products, detected in the water supply, origin of contaminants detected in the water;

1 explanation of any MCL violation of the primary drinking water standard, enforcement
2 actions, monitoring & reporting violations, statement of health concerns, terms of a
3 variance or exemption (if any granted to the water system), contact information of water
4 system designee for additional information concerning the report. Regulations requiring
5 community and nontransient noncommunity water supply systems in California to provide a
6 CCR to customers were adopted and effective on May 26, 2001.

7
8 A review of the Department's records indicates that the Department has **not** received a copy
9 of the 2011 Consumer Confidence Report and Certification Form (2011 CCR provided to
10 customers by the District and certification to the Department that 2011 CCR has been
11 distributed to customers). **Therefore, the Department has determined that the District**
12 **is in violation of the CCR requirement.** In addition, the District is still required to
13 provide a CCR to its customers and mail a copy along with the CCR Certification Form to
14 the Department for the year 2012, which are due no later than July 1, 2013 and July 31,
15 2013, as described under the Directives.

16
17 By a letter dated January 11, 2013, the Department requested a copy of the 2011 Consumer
18 Confidence Report and Certification Form. The Department has not received a copy of the
19 2011 Consumer Confidence Report and Certification Form from the District and, therefore,
20 finds the District to be in violation of this requirement.

21
22 The above violations are classified as non continuing violations.

DIRECTIVES

Inyokern Community Services District is hereby directed to take the following actions:

21. Cease violating the reporting requirements of Section 116470 of the CHSC, and Section 64480.(a), Section 64483.(c), and Section.(c) of Title 22, California Code of Regulations.

By **March 8, 2013**, Inyokern Community Services District shall submit a written response to the Department acknowledging that it has received this citation and will comply with all the directives listed herein. 23. By **July 1, 2013**, Inyokern Community Services District shall distribute a Department approved Consumer Confidence Report to each customer reporting the water quality for the year 2012. The following website will serve as a guide to completing the 2012 CCR accurately.

<http://www.cdph.ca.gov/certlic/drinkingwater/Pages/CCR.aspx>

25. In the future, Inyokern Community Services District shall distribute a Consumer Confidence Report to each customer by July 1 of each year, reporting water quality information for the prior year. A copy of each year's consumer confidence report shall be provided to the Department within 30 days of issuance of the Consumer

1 Confidence Report and no later than October 1 each year with proof of distribution

13 **CIVIL PENALTIES**
