**STATE OF CALIFORNIA  
STATE WATER RESOURCES CONTROL BOARD**

**IN RE:**           Evergreen RV Trailer Park  
                  P.O. Box 2531  
                  Huntington Beach, CA 92647

**TO:**               Mr. Mark Perry, Owner

**CITATION FOR NON-COMPLIANCE**

**WATER SYSTEM NO.:**       5602107

**CITATION NO.:**             04\_06\_15C\_018\_5602107\_02

Section 116650 of Chapter 4, Part 12, Division 104 of the California Health and Safety Code (H&S Code), authorizes the issuance of a citation for failure to comply with the requirements of the California Safe Drinking Water Act, or any regulation, standard, permit or order issued thereunder.

The State Water Resources Control Board, Division of Drinking Water (hereinafter Division) hereby issues a citation to the Evergreen RV Trailer Park (hereinafter Evergreen), for the following violation:

**VIOLATION**

1. **Section 64442, Title 22, California Code of Regulations (CCR).**

Specifically, during the time period from June 2014 to May 2015, the running annual average for uranium concentrations in the drinking water supply analyzed from Evergreen’s Well 1 exceeded the Maximum Contaminant Level of 20 pCi/L. The first and second quarters of sampling revealed results of 51 pCi/L and 16 pCi/L, respectively. Sampling for uranium was not completed during the third and fourth quarters of the twelve month period. The current running annual average for uranium from the well is 34 pCi/L.

According to Section 116650 of the Health and Safety Code, the above is classified as a non-continuing violation.

**BACKGROUND**

The Evergreen RV Trailer Park is a community water system owned by ERP Investments, Inc. that serving treated domestic water to an RV trailer park with an estimated population of 70 people. Evergreen has been operating under a domestic water supply permit issued by the Division during 2003.

The permitted source of drinking water supply is a single groundwater well. Evergreen provides continuous disinfection treatment using free chlorine to the water entering the distribution system. The distribution system is pressurized by the well pump and a small pressure tank.

Evergreen is required to sample its well for radiological chemicals including uranium in accordance with Section 64442, Title 22, CCR. Recent results are summarized below:

Location	1 <sup>st</sup> Quarter (Jun-Aug 2014)	2 <sup>nd</sup> Quarter (Sep-Nov 2014)	3 <sup>rd</sup> Quarter (Dec-Feb 2015)	4 <sup>th</sup> Quarter (Mar-May 2015)	Annual Average
Sample Date(s)	6/4/14 & 8/22/14	11/7/14 & 12/17/14	2/3/15	5/26/15	
Gross Alpha (pCi/L)	<b>55.1 &amp; 43.9</b>	<b>28.4</b>	<b>No Sample</b>	<b>No Sample</b>	<b>5.3 (minus U)</b>
Uranium (pCi/L)	<b>44.5 &amp; 57.8</b>	16.2	<b>No Sample</b>	<b>No Sample</b>	<b>33.7</b>
Total Radium (pCi/L)	<b>No Sample</b>	0.289	0.380	0.448	0.372

The running annual average for uranium is 33.7 pCi/L which exceeds the standard of 20 pCi/L.

Evergreen is required to distribute a Tier-2 public notice for violation of the uranium MCL, pursuant to Section 64463.4, Title 22, CCR.

### **DIRECTIVES**

Evergreen is hereby directed to take the following actions:

1. Within 30 days of receipt of this citation, complete the public notification requirements for the uranium MCL violation listed in this citation, pursuant to the Tier-2 public notification procedures. The format of the notice must be approved by the Division. Submit certification of public notice issuance to the Division within 30 days of its completion.

2. Evergreen shall continue quarterly monitoring of radiological chemicals, in accordance with Section 64442, Title 22, CCR, for continued determination of compliance with the radiological maximum contaminant levels.

3. Proof of public notification shall be submitted to:

Jeff Densmore, P.E., District Engineer  
Division of Drinking Water  
1180 Eugenia, Suite 200  
Carpinteria, CA 93013-2000

**CIVIL PENALTIES**

Sections 116650 (a), (d), and (e) of the H&S Code allow for the assessment of a civil penalty for failure to comply with requirements of Chapter 4. Failure to comply with any provision of this Citation will result in the Division imposing an administrative penalty of up to \$1000.00 (one thousand dollars) per day as of the date of violation of any provision of this Citation.

**PROOF OF NOTIFICATION**

Name of Water System: Evergreen RV Trailer Park, System No.: 5602107

Please explain what caused the problem if you have determined what it was and what steps you have taken to correct it.

\_\_\_\_\_  
\_\_\_\_\_

**Consumers Notified**                             **Yes**                             **No**

If not, explain: \_\_\_\_\_  
\_\_\_\_\_

**Date of Notification:** \_\_\_\_\_

On the date of notification set forth above, I served the above referenced document(s) on the consumers by:

       Sending a copy through the U.S. Mail, first class, postage prepaid, addressed to each of the resident(s) at the place where the property is situated, pursuant to the California Civil Code.

       Newspaper (if the problem has been corrected).

       Personally hand-delivering a copy to each of the consumers.

       Posted on a public bulletin board, that will be seen by each of the consumers (for small water non-community water systems with permission from the Division).

\_\_\_\_\_

**I hereby declare the foregoing to be true and correct under penalty of perjury.**

Dated: \_\_\_\_\_
