**STORM CONTINGENCY PLAN, NURSERY PRODUCTS HAWES COMPOSTING
FACILITY, SAN BERNARDINO COUNTY**

California Regional Water Quality Control Board, Lahontan Region (Water Board) staff received on May 5, 2010 the above referenced document, which was prepared by Nursery Products. The objective of this plan is to specify procedures that Facility personnel must follow to lower water levels in the Surface Impoundments such that subsequent storm events will not affect the requirement to maintain at least 2 feet of freeboard in each Impoundment. This Storm Contingency Plan was submitted to satisfy Board Order No. R6V-2010-0010. Water Board staff have reviewed the above referenced report and accept the report as written.

We look forward to working with you in a manner that protects water quality. If you have any questions, please contact me at (760) 241-7305 (bbergen@waterboards.ca.gov) or Patrice Copeland at (760) 241-7404 (pcopeland@waterboards.ca.gov).

Sincerely,

for: 
Brianna Bergen
Engineering Geologist
