Subject: RE: Extension Request for Submittals due on November 8, 2013 Pertaining to the Arimol Group Inc. and Meadowbrook Cedar Inc. Properties, Lake Arrowhead, San Bernardino County
Date: Friday, November 22, 2013 8:30:11 AM

Mr. Eilerts:

Please accept my apologies for not responding to you sooner, but I am not willing to extend the deadline for submittal of the final Arimol Wetlands Surface Water Restoration Workplan that was due on November 8, 2013. I appreciate all of the progress that has been achieved to date and I encourage you to finalize the Plan as soon as reasonably possible. Please keep our lines of communication open and coordinate with our staff on your progress and provide them with the reasons for a late submittal of the Plan. It is in our mutual interest to complete restoration of the site as soon as possible in a manner that is protective of water quality. Please contact Doug Smith at DFSmith@waterboards.ca.gov or (530) 542-5453 if you have any questions.
