RE: Lahontan Regional Water Quality Control Board (RWQCB) – Draft Clean-up and Abatement Order (CAO), Arimol Group WDID No. 6B36C363433

Dear Ms. Kemper:

This letter provides receipt and response to your above referenced letter dated June 25, 2013 which provided the Draft CAO (WDID No. 6B36C363433) issued to the Arimol Group, Inc. and Meadowbrook Cedar, Inc. located at Lake Arrowhead in San Bernardino County, California.

The Sanberg Group, Inc. (SANBERG) has been retained by the Arimol Group, Inc. and Meadowbrook Cedar, Inc. as the qualified wetlands consultant to prepare, submit and implement multiple work plans involving surface water restoration on three land parcels, under their ownership, located within San Bernardino County at 1031 Meadowbrook Road in the City of Lake Arrowhead, California.

It is understood that all matters pertaining to the CAO, related documentation and field work will be coordinated and directed by the California (Lahontan Office) Regional Water Quality Control Board (RWQCB), and the California Department of Fish and Wildlife (CDFW) and U.S. Army Corps of Engineers (ACOE).

The RWQCB reserves the right to make changes or revisions to the order at any time prior to issuance. Arimol Group, Inc. and Meadowbrook Cedar, Inc. respectfully request the opportunity to review and comment on any such changes that may occur prior to issuance of the order.

Arimol Group, Inc. and Meadowbrook Cedar, Inc. intend to follow the proposed schedules leading up to the November 8, 2013 deadline for the completion of the initial restoration activities as stipulated in the draft order subject to the RWQCB providing its comments and/or approvals of submitted work plans are received in a timely manner defined as equal to or less than a seven to ten day period of review.

Project related quotes and follow-up documentation are forthcoming. Should you have any questions or require further information, please contact me at telephone (562) 404-1113 or by Email: dales@sanberg.com.

Sincerely,

The Sanberg Group, Inc.
