

Tahoe Keys Backyard Conservation Project

Fact Sheet

Organization Performing SEP	Tahoe Keys Property Owners Association
Description of Work Performed, Other Details	Landscape management workshops (six during 2003 and three during 2004) were held to educate TKPOA homeowners on source control of sediments and nutrients including proper fertilizer, irrigation, and turf management. TKPOA staff worked with the Natural Resource Conservation Service to conduct the 2003 workshops. Materials were also distributed to homeowners who were not in attendance as part of the effort to educate property owners with proper landscaping techniques.
