RE: Mitigation Project for Collection System loss of July 29, 1995  
Erosion Control.

Dear Harold:

The agreed upon mitigation project, consisting of erosion control along the west shore of Lake Tahoe near the Elizabeth Park area, has been completed. Additionally, shoreline stabilization has also been completed as you can see by the enclosed photographs.

If you have any questions regarding this project, please contact Mr. Bill Back, Director of Utilities at 916-583-3796 ext. 35.

Sincerely,

David C. Antonucci  
General Manager/Chief Engineer
