**TO ALL PARTIES AND INTERESTED PERSONS:**

**Pending Procedural Requests regarding Tentative Revised Cleanup and Abatement Order No. R4-2011-0046, Former Kast Property Tank Farm**

The Regional Water Quality Control Board, Los Angeles Region (Regional Board), acting through Ms. Deborah Smith, Chief Deputy Executive Officer, has received several procedural requests and comments related to the Board's consideration of the Revised Cleanup and Abatement Order No. R4-2011-0046 for the Former Kast Property Tank Farm (Revised CAO).

On December 24, 2014, Barclay Hollander Corporation submitted a request (December 24 Letter) to (1) submit additional written evidence, and (2) schedule a formal evidentiary hearing prior to the Regional Board's determination whether to adopt the Revised CAO.

On January 6, 2015, Barclay Hollander sent a second letter following up on the December 24 Letter, which describes and attaches copies of some of the additional documentary evidence requested to be submitted to the Regional Board.

On January 7, 2015, Shell Oil Company responded to Barclay Hollander's December 24 Letter. Shell opposes Barclay Hollander's requests to submit additional evidence and for a formal evidentiary hearing.

Also on January 7, 2015, Mr. Robert Bowcock of Integrated Resource Management, Inc. responded to Barclay Hollander's December 24 Letter. Mr. Bowcock does not oppose the request to submit additional evidence or the request for a formal evidentiary hearing as long as his client is provided appropriate notice and opportunity to be heard. In addition, Mr. Bowcock commented on the substance of the Revised CAO and attached documentary evidence to his letter in support of his comments. The Regional Board therefore considers Mr. Bowcock's letter, in part, as a request to submit the additional substantive comments and the attached report by L. Everett & Associates dated January 7, 2015.

The Regional Board is considering these pending procedural requests in light of the factual, legal, and policy matters at issue. The Regional Board will consider additional comments on these pending procedural requests that are received by the Regional Board by **5:00 pm on Friday, January 16, 2015**. Please send comments by e-mail to [nicole.kuenzi@waterboards.ca.gov](mailto:nicole.kuenzi@waterboards.ca.gov), and to all parties and interested persons cc'ed on this notice. If you are unable to submit comments by e-mail, comments may be submitted by mail to

Nicole Kuenzi, Office of Chief Counsel, State Water Resources Control Board, 1001 I Street, 22<sup>nd</sup> Floor, Sacramento, CA 95814. The Regional Board will issue a determination regarding the procedural requests after January 16, 2015.

If you have any questions regarding this letter, please contact me at (916) 322-4142 or at [nicole.kuenzi@waterboards.ca.gov](mailto:nicole.kuenzi@waterboards.ca.gov).

Sincerely,

Nicole L. Kuenzi
