SUBJECT: Public Meeting Regarding Development of Ventura County Coastal Bacteria TMDLs

The California Regional Water Quality Control Board, Los Angeles Region (Los Angeles Water Board) invites stakeholders and interested parties to a public meeting on **Friday, February 2, 2018, at 10:00 am** to discuss the potential for development of the Ventura County Coastal Beaches and Ventura Harbor Keys Bacteria Total Maximum Daily Loads (TMDLs). This meeting will be held at the County of Ventura Government Center. The purpose of the meeting is to solicit public participation and information.

Date: February 2, 2018
Time: 10:00 a.m.
Location: Ventura County Government Center
Hall of Justice
Pacific Conference Room
800 S. Victoria Avenue
Ventura, CA 93009

At the meeting, Los Angeles Water Board staff will discuss analysis of bacteria data, the proposed revisions to the Inland Surface Water Plan and Ocean Plan and their impact on the development of future bacteria TMDLs, and the TMDL development schedule. Staff will also continue to solicit input from stakeholders during the TMDL development process.

For information regarding the development of these TMDLs, please contact Man Voong at (213) 576-6690 or Man.Voong@waterboards.ca.gov or Dr. L.B. Nye at (213) 576-6685 or LB.Nye@waterboards.ca.gov.
