Subject: Boeing NPDES Permit Comment Deadline

The Fact Sheet for the Tentative NPDES for the Boeing Company/SSFL says comments are due on January 9 at 5:00 p.m. Correspondence to Boeing, and attachments thereto, appears to say January 8. The tentative NPDES permit is not posted on the Board's website page for tentative permits. Given the discrepancy between what is said in the Fact Sheet that is part of the tentative permit and the correspondence with Boeing, the comments we are preparing with other organizations will be submitted on January 9.
