In accordance with administrative procedures, the Los Angeles Regional Water Quality Control Board (Regional Water Board) at a public hearing to be held on **June 01, 2017**, at the Metropolitan Water District of Southern California, 700 North Alameda Street, Los Angeles, California, at 9:00 a.m., will consider the enclosed tentative requirements and comments thereof. The Board will hear any testimony pertinent to the tentative requirements. It is expected that the Board will take action at the hearing; however, as testimony indicates, the Board, at its discretion, may order further investigation.

Written comments or testimony regarding this tentative Order must be received at the Regional Water Board's office by the close of business on May 08, 2017, in order to be evaluated by Board staff and included in the Board's agenda folder. Comments received after that date will be provided, ex agenda, to the Board for their consideration. Timely submittal of written comments is encouraged to ensure that all comments are accurately and fully included in the administrative record, that Board staff is able to provide timely review, and that Regional Water board members have sufficient time to give full consideration to the comments and issues raised. Comments received after the requested date may result in delay in consideration of the tentative Order.

If you have any questions, please contact me at (213) 620-2083, Steven Webb at (213) 576-6793.

Sincerely,

Cris Morris, P.E., Chief
Municipal Permitting Unit (NPDES)
