NOTICE OF APPLICABILITY FOR WATER QUALITY ORDER NO. 2004-0004-DWQ FOR THE RANCHO CAMARILLO ASSOCIATES PROPOSED RAN RANCHO SUBDIVISION: RELOCATION OF ISOLATED WATERS (PROJECT) NOT DETERMINED JURISDICTIONAL BY THE U.S. ARMY CORPS OF ENGINEERS, VENTURA COUNTY, CALIFORNIA (File No. 15-090)

Dear Mr. Daneshgar:

We received your *Notice of Intent* to enroll and comply with the *Water Quality Order No. 2004-0004-DWQ* (General Order) on September 15, 2015. Based on our review of the *NOI*, the *Jurisdictional Delineation Report* dated September 25, 2014, and the *Final Mitigation Plan* dated September 11, 2015, we find that the project is covered by the General Order.

Please read the General Order carefully; there are prohibitions, provisions and reporting requirements which apply to your discharge. Pursuant to Special Provisions, Condition 26 of the General Order, this Regional Board requests that the Annual Reports be submitted on January 1st of each year following this Authorization summarizing the status of the project if mitigation has not begun, or as stipulated in the *Final Mitigation Plan* on that date if mitigation has begun. If you have any questions concerning this action, please contact Dana Cole, Section 401 Program, at (213) 576-5733 or danacole@waterboards.ca.gov. We look forward to working with you on the Project.

Sincerely,

Samuel Unger, P.E.
Executive Officer
