ORDER NO. R1-2009-0029  
RESCISSION OF CLEANUP AND ABATEMENT ORDER NO. R1-2007-0011

FOR

FORT BRAGG MUNICIPAL IMPROVEMENT DISTRICT NO.1  
I.D. No. 1B84083OMEN

Mendocino County

The California Regional Water Quality Control Board, North Coast Region, (hereinafter Regional Water Board), finds that:

1. The Regional Water Board adopted Waste Discharge Requirements Order No. R1-2005-0096 (NPDES Permit No. CA002378) for Fort Bragg Municipal Improvement District No.1 (hereinafter the Discharger or Permittee) on October 12, 2005. The Order includes Basin Plan discharge prohibitions and permit provisions that must be met at all times.
2. The Executive Officer of the Regional Water Board issued Cleanup and Abatement Order No. R1-2007-0011 to the Discharger on January 29, 2007 for violations of Waste Discharge Requirements, Basin Plan discharge prohibitions and sanitary sewer overflows resulting from the deteriorated condition of the Pudding Creek Force Main.
3. Between January of 2007 and December 11, 2008, the Discharger undertook major construction consisting of replacing and relocating the Pudding Creek Force Main (3000LF) outside of the creek channel and installing an alarm and leak detection system. These measures should help to permanently eliminate future discharges of unauthorized waste to Pudding Creek and the associated threat to water quality that led to issuance of Cleanup and Abatement Order No. R1-2007-0011.
4. This Regional Water Board action to rescind Cleanup and Abatement Order No. R1-2007-0011 is exempt from the provisions of the California Environmental Quality Act (Public Resources Code Section 21000 et seq.) in accordance with Title 14, California Code of Regulations, Sections 15016(b)(3) and 15321.

THEREFORE, IT IS HEREBY ORDERED that Cleanup and Abatement Order No. R1-2007-0011 for Fort Bragg Municipal Improvement District No. 1, is rescinded.
