1. On May 19, 2010, the Executive Officer of the North Coast Regional Water Quality Control Board issued Cleanup and Abatement and 13267 Order No. R1-2010-0050 (CAO) for the site located at 25830 Comptche Ukiah Rd., near Comptche, Mendocino County. The CAO required the named parties (Dischargers) to correct violations associated with the unauthorized modification of a watercourse through instream dam construction on the subject property. Corrective work undertaken to address the violation included restoration of the natural stream channel, and re-vegetation of all disturbed areas and streamside areas affected by the illegal stream modification work.
2. On March 28, 2013, Regional Water Board staff inspected the site and confirmed that water quality violations had been adequately corrected, and that all requirements of the CAO had been satisfactorily completed. Based on the available information, it is appropriate to rescind CAO No. R1-2010-0050.

THEREFORE, it is hereby ordered that CAO No. R1-2010-0050 is rescinded.
