Project Description: (please use a separate page if necessary)

The project is the adoption of a general conditional waiver of waste discharge requirements (WDRs) for eligible wine, beverage and food (WBF) processing facilities that discharge process wastewater or process solids to land. Eligible WBF processing facilities may apply for enrollment under the general conditional waiver rather than obtaining an individual conditional waiver of WDRs, enrolling under the general WBF WDR Order, or obtaining individual WDRs.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
