

California Regional Water Quality Control Board
North Coast Region

**Notice of Public Workshop
and Opportunity to Review and Comment on Draft Order**

Draft Order No. R1-2015-0021
Categorical Waiver of Waste Discharge Requirements for
Nonpoint Source Discharges Related to
Certain Federal Land Management Activities
on National Forest System Lands in the North Coast Region

Notice is hereby given that on August 12, 2015, the California Regional Water Quality Control Board, North Coast Region (Regional Water Board) will hold a public workshop to provide the Regional Water Board, public, and interested parties the opportunity to discuss and comment on the above described Draft Order that contains proposed revisions to Order No. R1-2010-0029, *Waiver of Waste Discharge Requirements for Nonpoint Source Discharges Related to Certain Federal Land Management Activities on National Forest System Lands in the North Coast Region* (2010 USFS Waiver). The workshop will be held between 8:30 a.m.-5:00 p.m. at the Regional Water Board office, 5550 Skylane Boulevard, Suite A, Santa Rosa, CA. No action will be taken by the Regional Water Board at the workshop.

Document Review

A separate public notice will be provided to announce the availability of the Draft Order No. R1-2015-0021, and the start of a 30-day public review and comment period. To receive future public notices related to this matter by email, interested parties should subscribe to our email distribution list by selecting Waiver of WDR for Timber Harvesting on Federal Lands at:
