**NOTICE OF PUBLIC MEETING  
Regarding the Former Ukiah Masonite Site**

The California Regional Water Quality Control Board, North Coast Region, invites stakeholders and interested parties to an informational public meeting regarding the investigation and cleanup of groundwater and soil contamination at the former Masonite manufacturing site at 300 Ford Road in Ukiah.

The meeting will be held at the following time and location:

**DATE: Thursday April 10, 2008**  
**TIME: 7 pm to 9 pm**  
**LOCATION: Ukiah Valley Conference Center  
200 South School Street, Ukiah**

The purpose of the meeting is to inform the public about the findings from environmental investigations and about remediation efforts at the site. At the meeting, Regional Water Board staff will discuss the regulatory history and process for the site. Environmental consultants working for responsible parties for the site will present site investigation and remediation information. The meeting will also include time for questions and comments from the public.

Please contact Craig Hunt of Regional Water Board staff with any questions regarding the meeting at 5550 Skylane Boulevard, Suite A, Santa Rosa, California 95403; at (707) 570-3767; or at [CHunt@waterboards.ca.gov](mailto:CHunt@waterboards.ca.gov).
