In the Matter of  
Gallo of Sonoma, Dry Creek Winery  
WDID No. 1B79154OSON  
Sonoma County

On April 21, 2008, the California Regional Water Quality Control Board, North Coast Region (Regional Water Board), Executive Officer issued Revised Administrative Civil Liability Complaint No. R1-2008-0052 (Complaint) to Gallo of Sonoma Dry Creek Winery (Discharger). The Complaint assesses civil liabilities under Water Code section 13385, subdivision (a)(1) in the amount of \$10,000 for the March 6, 2007 discharge of wine pomace wastes, and the February 10, 2008 discharge of propylene glycol into waters of the United States.

***Opportunity for Settlement Without a Public Hearing***

A thirty-day public comment period has commenced beginning on the date of this notice. This matter may be settled without a hearing if no significant comments are received during the comment period and if the Discharger waives the right to a hearing and agrees to pay the full amount of proposed civil liability. The Executive Officer will consider comments received and either finalize the settlement or take other appropriate action.

***Public Hearing Procedures***

If the Discharger expresses intent to contest the Complaint by not waiving the hearing, the Regional Water Board will hold a public hearing on this matter at a time announced in the Regional Water Board's summary agenda to be mailed on or about July 3, 2008. The meeting is scheduled to be held on July 23 and 24, 2008 in the Regional Water Board Hearing Room, 5550 Skylane Boulevard, Suite A, Santa Rosa, California. At the hearing, the Regional Water Board will consider whether to affirm, reject, or modify the proposed civil liability, or take other enforcement action.

The Discharger and interested persons must submit to the Regional Water Board office at 5550 Skylane Boulevard, Suite A, Santa Rosa, California, 95403, written copies of all technical reports, testimony, and other evidentiary material that it would like the Regional Water Board to consider concerning this issue by 5:00 p.m. on June 10, 2008. This written material will be made available to the Regional Water Board members and all interested persons.

Written material received after the above date will not be accepted, except at the discretion of the Regional Water Board Chair. Untimely written material will not be accepted or incorporated into the administrative record if doing so would prejudice the Discharger or the Regional Water Board staff. The Chair may choose to modify this rule upon a showing of severe hardship (California Code of Regulations, title 23, sections 648.1 and 648.4).

All those who plan to testify at the hearing must submit written statements to the Regional Water Board by June 10, 2008. The statements should provide the name of the witness, their qualifications (if an expert), and the scope of their intended testimony. Testimony at the above-scheduled hearing may summarize or explain timely submitted or late-accepted written evidence, but shall not add new evidence. The time constraints for oral testimony or comments will be set by the Regional Water Board Chair and usually will allow no more than ten minutes each for Regional Water Board staff and the Discharger and three minutes each for other interested persons. A timer may be used and speakers are expected to honor the time limits. Where speakers can be grouped by affiliation or interest, such groups will be expected to select a spokesperson and not be repetitive.
