Re: Comments Regarding SWRCB Draft Drinking Water Fee Regulations

Dear Ms. Townsend:

The City of Corona Department of Water and Power ("CDWP") is a public agency responsible for providing water service to the City of Corona and some unincorporated surrounding areas located within the County of Riverside, serving a total of approximately 42,000 retail connections. We appreciate the opportunity to comment on the State Water Resources Control Board's ("SWRCB") draft Drinking Water Fee Regulations released for public comment on April 29, 2016 ("Draft Fee Regulations").

CDWP recognizes that the final Fee Regulations must ensure that the Drinking Water Program has adequate funding. However, we are concerned that the Draft Fee Regulations do not equitably allocate Drinking Water Program costs among fee payers. We also encourage the SWRCB to take steps to ensure that the Drinking Water Program maintains its accountability to public water systems and the customers we serve. CDWP supports the Association of California Water Agencies' comments and suggested amendments to the Draft Fee Regulations, including the Water Community Option for the fee schedule.

Thank you for the opportunity to comment on the Draft Fee Regulations. CDWP encourages the SWRCB and its staff to continue to work with public water systems and their representatives on this important issue. If you have any questions regarding this matter, please contact Jonathan Daly, General Manager, at (951) 736-2477 or by email at Jonathan.Daly@DiscoverCorona.com.

Sincerely,

Dick Haley
Vice Mayor
