Wes,

I confirmed with Parry we would like them to get the postcard.

Thank you,

Jennifer

Jennifer,

The parcel number won't be printed on the postcard, and the postcard has general statements about who needs to be in. So they may get confused about why they are receiving it. I attached the postcard for your review. Let me know if you still want me to mail to those people.

Wes

Yes the postcard is fine for those people...as long as you are listing the parcel and not enrolled rather than stating they are not members of the Coalition.

Thank you Jennifer!

For the landowners who have a similar name as a current member we can send them a postcard unless you prefer to contact them. I think if we send them a postcard it lets them know that the Water Board is looking for landowners who are not in compliance and it may be a way to have them call you and keep current on their records. Or, as in some cases, they may have forgot to enroll those parcels and will now do so. Either way is fine, we can send them a postcard later if you prefer to contact them and they don't respond.

Thanks for your help with this,

Wes

Wes,

I checked by parcel numbers and name against my current membership list. The top group on the attached Excel sheet is current with the parcels enrolled - so please remove them from your list.

The bottom section shows members with the same name in my database (or same address in one case) but they do not have the parcel you listed enrolled in the Coalition. Some have very similar parcel numbers enrolled. I can send you a list of what they have with us if you would like. It may be that they need to update their parcel number with us.

Jennifer

Hi Jennifer,

Attached is the next round of postcards we are planning on sending to Lat 2 1/2. Would you mind reviewing the list and confirming that these parcels are not on your membership list.

Thanks,

Wes

Wes,

You have one of our current members listed. Monroe Ranch with APN 018-016-045 was just updated. They had a different last 3 digits for that parcel until a few weeks ago which is why you identified it as not participating.

Other than that, some members names are listed but they do not have these parcels enrolled currently.

Thank you,

Jennifer

Hi Parry,

Attached is a list of landowners whom the Water Board believes is not participating in your Coalition but should be. We plan on mailing these landowners informational postcards on the 27th of December and would like you to review the list before we do so. Please let me know if any on the landowners on the attached list (worksheet named First\_120\_to\_Mail\_to) are a participant of your coalition so we can avoid mailing to them.

Thanks,

Wes
