No problem - since it will be just Parry on the phone, we will just dial him directly at whichever number he prefers.

Hi Chris and Susan,

Parry is very focused on getting his grower visits completed and was wondering if we could set up a conference call number for him to call in on for the August 2nd meeting. If he can call in for the meeting it will save him the driving time from Sac to Fresno and allow him to do some visits that same day.
