Dear Ms. Creedon,

The East San Joaquin Water Quality Coalition is submitting a request to update its Management Plan Performance Goals and Measures schedule included in the ESJWQC Management Plan (last amended on October 12, 2010 and approved on November 17, 2010). The Management Plan was submitted as required by the Conditional Waiver of Waste Discharge Requirements for Discharges from Irrigated Lands Resolution Order No. R5-2006-0053, Monitoring and Reporting Program Order No. R5-2008-0005 and was approved on November 25, 2008.

The following table is an updated Performance Goals and Measures for fourth priority subwatersheds (Black Rascal Creek @ Yosemite Rd, Deadman Creek @ Gurr Rd, Deadman Creek @ Hwy 59 and Hilmar Drain @ Central Ave) and includes a completion date between 2012 and 2014 for each of the goals/measures. The completion dates, goals and measures listed in this request are similar to those for the third priority site subwatersheds that were approved November 17, 2010.

Submitted respectfully,

A handwritten signature in black ink, appearing to read "PK", is written over a light blue horizontal line.
