RE: Revisions to the ESJWQC Monitoring and Reporting Program Plan (MRPP) monitoring sites and schedules due to the approved removal of Yori Grove Drain @ East Taylor Rd from the monitoring plan.

Dear Ms. Creedon,

The East San Joaquin County Water Quality Coalition (ESJWQC or Coalition) is submitting an amendment to its Monitoring and Reporting Program Plan (MRPP). The amendment to the MRPP includes revisions to monitoring site names and schedules to reflect the recent removal of the Assessment Monitoring location Yori Grove Drain @ East Taylor Rd (approved February 7, 2012).

Attached are the requested tables that have been updated in the ESJWQC MRPP (Table A, 4, 5, 7 and 10). A complete electronic version of the updated MRPP is available to download from the MLJ-LLC SharePoint (access information submitted separately).
