Subject: ESJWQC-Duck Slough @ Hwy 99 Removal Request
Attachments: ESJ_2012_041212_Request_DuckSloughHwy99_SiteRemoval_Final.pdf

Dear Susan,

Attached is a letter addressed to Pamela Creedon requesting the approval to remove the Duck Slough @ Hwy 99 sample site from the ESJWQC monitoring program. Since the Coalition will no longer be able to access the Duck Slough @ Hwy 99 monitoring location starting in May 2012, a quick response from the Regional Board is necessary to allow the Coalition to make all necessary changes to its monitoring schedules before the May monitoring event. Parry will be mailing the letter with a wet signature to you this week.

Please let me know if you have any questions. Additional documentation can be supplied as needed.

Thanks,

~~~~~
