Subject: RE: Draft Agenda for Quarterly Meeting
Attachments: 2012-0605 Mtg Agenda draft mlj.docx

Jelena,

Attached is the draft agenda with one item added. In our edits to the WDR, the Coalition is proposing a different monitoring approach that is based on representative monitoring. We would like to describe how that is envisioned so you can start to think about the process. We will have a flow chart on hand-outs and can walk you through the process of how the monitoring and outreach is envisioned to work.
