Hi Dania,

Mike is on vacation this week so I will be attending the meeting by myself - I do not know if Parry plans to attend.

I did ask Parry about available dates and we came up with the following preferred dates:

September 9

September 14

September 15

Melissa

Good afternoon,

Tomorrow is Organochlorine Pesticides TMDL meeting, I was hopping to see you there. I will be attending to the first part and during the break I would like to talk to you about potential dates during the month of September that we can meet and discuss the:

- (1) 1 st and 2nd set of high priority areas regarding Mgtm Plan implementation
- (2) Implementation of the recommenced management practices for the 1 st set of high priority areas.
- (3) October 31st, TMDL report

Also, I wanted to talk to you about the letter that you are preparing to request a modification on monitoring (i.e. OC, nutrients, and metals) and see if you would like me to see a draft of that before submittal to make the

approval process more efficient.

I am including the Organochlorine Pesticides TMDL Meeting agenda and the supplemental information.

Thank you

Dania
