Subject: ESJ Order - October Meeting

Good afternoon Parry,

Would any of the following dates works for you? (see email below regarding the purpose of the meeting)

Wednesday, October 6 at 10:00 am

Tuesday, October 12 at 10:00 am

Wednesday, October 13 at 10:00 am

Thursday, October 14 at 10:00 am

I understand that you are coming to the TIC meeting on Thursday, September 26. We can even meet with Joe before the meeting (20 min before 0910 am perhaps?) if you would like to obtain more clarification from Joe on the scope and purpose of the October meeting. Please let me know if you would like to do that and if the time is convenient for you.

Thank you

Subject: Next ESJ Qrtly Mgmtm Plan Mtg

OK, I will make arrangements for Tuesday, September 14th at 10:00 am. I will send an agenda next week.

The other thing that I wanted to talk to you about is the ESJ Order. Joe wants to start initiating the discussions to begin this process and he indicated that he would like to start those discussions before November 2nd, which is when our next Mgtm Plan qrtly mtg is scheduled for. Additionally, it would be hard to combined the September 14th agenda items with the ESJ Order, which is going to be at least a two hours discussion. Thus, let's consider some potential dates in October to do that. We can talk about it in more detail tomorrow. What about

Wednesday, October 6 at 10:00 am

Tuesday, October 12 at 10:00 am

Wednesday, October 13 at 10:00 am

Thursday, October 14 at 10:00 am

Hi Dania,

Mike is on vacation this week so I will be attending the meeting by myself -
I do not know if Parry plans to attend.

I did ask Parry about available dates and we came up with the following
preferred dates:

September 9

September 14

September 15

Subject: Organochlorine Pesticides TMDL Meeting

Good afternoon,

Tomorrow is Organochlorine Pesticides TMDL meeting, I was hopping to see you
there. I will be attending to the first part and during the break I would
like to talk to you about potential dates during the month of September that
we can meet and discuss the:

- (1) 1 st and 2nd set of high priority areas regarding Mgtm Plan
implementation
- (2) Implementation of the recommenced management practices for the 1 st set
of high priority areas.
- (3) October 31st, TMDL report

Also, I wanted to talk to you about the letter that you are preparing to
request a modification on monitoring (i.e. OC, nutrients, and metals) and
see if you would like me to see a draft of that before submittal to make the
approval process more efficient.

I am including the Organochlorine Pesticides TMDL Meeting agenda and the
supplemental information.

Thank you

Dania
