Dania,  
Realistically it will be in January. There may be some started before. They will continue through spring. Do you need specific dates?

Good morning,

I wanted to follow up with one of the Regional Board action items regarding coordinating efforts for 3<sup>rd</sup> High Priority area. Could you please provide me with an approximate time frame of when the individual surveys are going to start? This information will allow the enforcement unit to plan their efforts better in terms of post cards, 13267, and so forth for that area.

Thank you

Dania
