Subject: DRAFT letter requesting reduction in certain constituents for monitoring
Attachments: ESJWQC_MRPPAmendmentRequest_DRAFT_091010 mlj.doc

Hi Dania,

Attached is a word document of a draft letter that has been updated from the original constituents to drop letter. I tried to incorporate all of your suggestions including some restructuring of the letter – most importantly emphasizing that this is a request to amend the ESJWQC MRPP.

Please review the attached document and let me know if you have any suggestions/comments that we should incorporate prior to submitting a final letter to the ILRP.

Thanks,

Melissa
