The State Water Resources Control Board (State Water Board) has received a letter dated April 8, 2016, from the San Francisco Bay Regional Water Quality Control Board (San Francisco Water Board) requesting an extension of, at minimum, thirty (30) days of the deadline to file the administrative record and the responses to the petition in the above matter.

The State Water Board informed interested persons by letter dated March 15, 2016, that the petition in the above matter was complete and that the administrative record and responses to the petition were due within thirty (30) days. The letter and notice are available at:

For the reasons stated in the San Francisco Water Board's request, the State Water Board will now grant an extension to all parties and interested persons to file responses to the petition. For the same reasons, the State Water Board will also now grant an extension to the San Francisco Water Board to submit the administrative record to the petition in the above matter.

The new deadline is set as follows:

Submission of the administrative record (for the San Francisco Water Board) and of responses to the petition (for all parties and interested persons, including the San Francisco Water Board):
Monday, May 16, at 5:00 pm.

April 11, 2016

The State Water Board notes that the new deadline does not extend the 270-day time period in which the State Water Board must review and act on the petition under California Code of Regulations, title 23, section 2050.5, subdivision (b).
