John Muller, Chair
S.F. Bay Regional Water Board
1515 Clay Street, Suite 1400
Oakland, CA 94612

Dear Mr. Muller,

I am writing to express my concern about The Board's proposed permit that would allow cities and counties to meet a cleanup level of 100 pieces of trash for every 100 feet. Our children deserve the highest level of protection. We cannot allow the SF bay to be polluted in any matter; no trash in the bay.

Sincerely,

Leera Rahman
