

TRASH HOT SPOT SELECTION FORM

City of Hayward

Site ID: hay_win_4

Site Information

Waterbody: Alameda County Flood Control Channel

Site Location: This location is located at the dead end of West Winton Ave. on the west side of the roadway near San Francisco Bay. The site extends for 150 yards upstream from the northern property line of East Bay Regional Shoreline Park. This location listed is ACFC Zone 4 Line B.

Jurisdiction: City of Hayward

Ownership: Alameda County Flood Control

Agency Contact: Todd Rullman - Street Maintenance Supervisor (510) 881-7746
todd.rullman@hayward-ca.gov

Justification

Staff selected this location due to its close proximity to San Francisco Bay. Historically, this area is a frequent location for illegal dumping of furniture and appliances as well as hazardous materials such as motor oil and paint. While the attached pictures show the channel to be relatively clean at the time the area was surveyed, this is an area in need of regular maintenance and attention. Staff followed the site selection process outlined in the ACCWP Trash Load Reduction Work Group Hot Spot Selection Guidance document.
