Arnold Schwarzenegger
Governor

TO: Interested Parties

FROM: Samuel Unger, P.E. *SU*
Section Chief, Regional Programs

DATE: August 28, 2008

SUBJECT: REVISION OF THE CALLEGUAS CREEK NITROGEN COMPOUNDS
AND RELATED EFFECTS TMDL, RESOLUTION NO. 02-017

NOTIFICATION OF UNCONTESTED ITEM AND TIME CHANGE FOR PUBLIC HEARING

On July 7, 2008, we noticed that this Regional Board will consider a proposed amendment to the *Water Quality Control Plan for the Los Angeles Region* (Basin Plan) to revise the waste load allocations of the Calleguas Creek Nitrogen Compounds and Related Effects TMDL, Resolution No. 02-017, at the Board Meeting scheduled on Thursday, September 11, 2008 at the Metropolitan Water District of Southern California, 700 N. Alameda Street, Los Angeles, California.

Comments from the public were due on August 21, 2008. The Regional Board has received one comment letter in support of the proposed Basin Plan amendment. Consequently, the proposed Basin Plan amendment has been placed on the Uncontested Item Calendar to be considered at the Regional Board hearing on September 11, 2008.

The scheduled time for the public hearing has been changed. On September 11, 2008, the public hearing will begin at **10:00 A.M.** instead of 9:00 A.M., at the same location, the Board Room of the Metropolitan Water District of Southern California, 700 N. Alameda Street, Los Angeles, California.

At the public hearing, the public will have an opportunity to comment on the proposed TMDL. A copy of the Tentative Basin Plan Amendment and Staff Report for the Calleguas Creek Nitrogen Compounds and Related Effects TMDL are posted on the Regional Board's web page. The web address is http://www.waterboards.ca.gov/losangeles/press_room/announcements/index.shtml. Please contact Thanhloan Nguyen at 213-576-6689 or Sam Unger at 213-576-6622 with questions or to request additional copies of the staff report and related materials.
