Dear Mr. Zaldivar:

Reference is made to our letter dated February 12, 2016, which transmitted the Tentative Resolution Approving Special Studies for the Hyperion Treatment Plant and the Terminal Island Water Reclamation Plant and informed you about the public hearing scheduled for April 14, 2016.

Please note that the location of the Board meeting has changed, as it is no longer scheduled to take place at the Metropolitan Water District of Southern California.

In accordance with administrative procedures, this Board at a public hearing to be held at 9:00 a.m. on April 14, 2016, at the **City of Simi Valley, Council Chambers, 2929 Tapo Canyon Road, Simi Valley**, will consider the Tentative Resolution Approving Special Studies and comments submitted in writing regarding the Order. The Board will also hear any oral testimony and comments pertinent to the tentative Order. It is expected that the Board will take action at the hearing; however, as testimony indicates, the Board, at its discretion, may order further investigation.

The agenda for the meeting will be posted on the Los Angeles Regional Water Quality Control Board's website (http://www.waterboards.ca.gov/losangeles/board_info/agenda/index.shtml) approximately one week prior to the meeting.

Written comments on the tentative WDRs/WRRs Order must be *received* at the Regional Water Board office by **5 p.m. on March 14, 2016**, in order to be evaluated by Board staff and included in the Board's agenda folder.
