

# Best Management Practices Workshop for the Industrial General Stormwater Permit

**You're invited to attend, please join us!**

## WHAT

The Los Angeles Regional Water Quality Control Board (Regional Board) is presenting an Industrial General Stormwater Permit Best Management Practices Workshop for permittees and their employees. Topics to be covered include: permitting regulations; how to keep work areas clean and safe; preventative upkeep and repairs; waste management; record keeping, and employee training.

## WHEN

Thursday, November 5, 2015 from 6:00pm – 7:30pm

## WHERE

Pacoima Neighborhood City Hall  
13520 Van Nuys Blvd.  
Pacoima, CA  
Tel: 818.899.2454

## WHY

Best Management Practices are:

- Good for workers
- Good for business
- Good for the community
