The California Regional Water Quality Control Board, Central Valley Region, (hereafter referred to as Central Valley Water Board) finds that:

1. On 22 September 2006, the Central Valley Water Board adopted Cease and Desist Order (CDO) R5-2006-0100 for the Jamestown Municipal Solid Waste Landfill (Jamestown Landfill), which is owned and formally operated by the County of Tuolumne Department of Public Works Division of Solid Waste (hereafter Discharger).
2. The CDO required the Discharger to redesign and construct an entirely new cover, and to resubmit a final construction report that complies with Title 27.
3. On 31 July 2008, the Central Valley Water Board adopted Waste Discharge Requirements Order R5-2008-0124 which approved the new design. Within six months, the final cover had successfully been reconstructed.
4. On 24 September 2009, staff conducted the final construction inspection. The Discharger submitted its final construction report on 1 October 2009. The Discharger has now complied with all requirements of the CDO.
5. The Central Valley Water Board has notified the Discharger and interested agencies and persons of its intent to rescind CDO R5-2006-0100 and has provided them with an opportunity for a public hearing and an opportunity to submit their written views and recommendations.
6. Issuance of this Order is exempt from the provisions of the California Environmental Quality Act (Public Resources Code, Section 21000, *et seq.*), in accordance with Section 15321(a)(2), Title 14, California Code of Regulations.
7. The Central Valley Water Board, in a public meeting, heard and considered all comments and evidence pertaining to this matter.
