BOARD ACTION:	<i>Consideration of Order Rescinding Cease and Desist Order No. R5-2007-0139</i>
BACKGROUND:	Musco Family Olive Company and The Studley Company own and operate an olive cannery near Tracy in San Joaquin County. The cannery has existed at the location since the 1983. Cease and Desist Order (CDO) No. R5-2007-0139 was adopted on 26 October 2007 in response to violation of numerous Discharge Prohibitions, Discharge Specifications, Effluent Limitations, and Land Application Areas Specifications in Waste Discharge Requirements Order No. R5-2002-0148 and Cleanup and Abatement Order No. R5-2002-0149. The CDO required the Discharger to perform technical studies, design a wastewater treatment system that is protective of groundwater quality, and submit a Report of Waste Discharge (RWD) to allow updating the facility WDRs. The studies and RWD were submitted and a revised Waste Discharge Requirements Order for the facility was adopted by the Central Valley Regional Water Quality Control Board on 18 March 2010. Local surface water drainage is to the Sacramento San Joaquin Delta.
