Subject: Opposition to monthly sewer rate increase

This email is to object to the proposed sewer rate increase for the Sacramento region. We own a home at [REDACTED] in Rancho Cordova (parcel number [REDACTED]). We bought the house in 1966, and we now find that with your rate increase we will be paying nearly as much per month as we initially paid for our monthly mortgage. The home is now rented out and with this new increase it will be hardly worth the effort and expense to keep this home as a rental. We worked hard to pay for and maintain this property, and with your proposed increase and additional fees imposed by the city of Rancho Cordova for rentals, our retirement investment income is slowly slipping away. We again urge you not to pass this increase.
