**Subject:** Draft NPDES Permit for Sacramento Regional County Sanitation District

Ms. Kathleen Cole Harder

Ms. Harder:

This e-mail is a notice of JB Radiator Specialties, Inc. (JBRS) opposition to the "draft" National Pollution Discharge Elimination System (NPDES) permit which is scheduled to be finalized by the regional Water Quality Control Board. I am the Facilities Manager at JBRS and JBRS supports the SRCSD's efforts to delay the approval of this specific draft permit.

As written, the permit does not identify a clear benefit to SCRSD's requirements for additional water treatment costs that would equate into increased user rates affecting JBRS.

On behalf of the 175 employees at JBRS and its 35 years as a tax paying corporate citizen, I urge you to not approve this draft NPDES permit.

Should you have any questions please feel free to contact me at 916-381-4790 extension 3045 or jsouza@jbradspec.com

Thank you
