Subject: Notice of Public Hearing - Woodlake

Aide,

Today, Friday September 17, I have been contacted by Mr. Bruce Bunting of Santa Fe Aggregate located in Woodlake California.

It appears the property owners contact information listed with the Regional Office in Fresno may be out of date for this site. As the property manager for the owners of the site presently under lease to Santa Fe Aggregate in Woodlake I would like to make a correction to the contact information you may have on file.

The corrected owners contact information is:

Walter John Seaborn
5560 Boulder Hills Drive
Longmont, CO 80503

Tel: 303 682 9962
Fax: 303 682 0678

I understand there is some urgency in this as Mr. Bunting has been requested to post signage referencing the owners information which may be out of date. I called as soon as this issue was brought to my attention but have not had any luck getting in touch with anyone in the Fresno office.

Please contact me at your earliest convenience on this matter by reply email or at the contact information above.

W. John Seaborn
