BOARD ACTION Consideration of Rescission of Cease and Desist Order R5-2005-0006

BACKGROUND On 27 January 2005, the Central Valley Water Board adopted Cease and Desist Order (CDO) R5-2005-0006 for the City of Plymouth and Roy E. Mason. The CDO required the Discharger to: comply with Waste Discharge Requirements 5-01-095, except for certain irrigation, flow, ammonia, and disposal limitations, and to submit the following technical reports: (a) Flow Meter Installation Report, (b) Contingency Plan, (c) Wastewater Pond Aeration Report, (d) Spray Irrigation Management Plan, (e) Sprayfield Improvement Report, (f) Final Revenue Plan, (g) O&M Technical Report, (h) Nitrogen Loading Report, (i) Diversion Ditch Construction Report, (k) Sludge Management Plan, (l) Collection System Improvement Report, (m) Report of Waste Discharge, and (n) Quarterly Compliance Status Reports.

On 28 December 2011, staff received comments from one party on the tentative Rescission of the CDO. Staff is addressing these comments separately.

The Discharger has completed all of the tasks in the CDO, and therefore it is appropriate to rescind the Order.

RECOMMENDATION Rescind Cease and Desist Order R5-2005-0006.
