## Crop Update

We are still in full production with Almonds. Del Mar Farms is looking forward to another successful crop. Please feel free to call us at 209. 894.5555 if you have any questions.

## Growers

We believe in giving our customers the highest quality produce year in and year out. Starting with our delicious Apricots in May and ending our season with shelled Almonds. Our employees work hard year after year to harvest a successful crop. We are well diversified growers of over 20 different commodities for fresh and processed packaging. Del Mar Farms handles Almonds, Apricots, Cantaloupes, Honeydews and Roma Tomatoes.

## Sustainable Ag

Del Mar Farms is a firm believer and follower of Sustainable Agriculture. We believe in perserving farm land and we are a certified grower of Sustainable Agriculture. Intergrated Pest Management (IPM) is a top priority for Del Mar Farms as we strictly evaluate and supervise each pesticide, fungicide, and herbicide application.

In August 2011 we received a score of **90%** for our Sustainable Audit.
