Dear Ms. Creedon,

This letter is in response to your 'Cease & Desist Order', #R5-2012-XXXX, which I received by personal service on June 4, 2012 in the 'Civil Liability Complaint' packet. Please refer to Item #6 which states, in part, "a letter dated April 6, 2012 requesting submission of the required information to transfer the order to the subsequent operator ___". Please note that the completed Form 200 was received by your office on May 14, 2012 and to this date no response to it has been received.

Please reference my past letters to you, namely the letter of February 29, 2008, and the letter of May 28, 2012, referring to the unintended omitted sale date on the Form 200. Also kindly review the Storm Water Reports of 2007-2008 and 2008-2009, stating Richard Sykora as Manager.

As referred to before, the mining operation has been under the ownership and liability of Wildcat Mining Enterprises, L.L.C. since February, 2008 and I am only the manager of day to day operations.

Please send all legal correspondence to Wildcat Mining Enterprises, L.L.C.'s address in Nevada, as noted on your Form 200.

Thank you,

Richard Sykora
