TO ALL INTERESTED PERSONS AND AGENCIES:

To conserve resources, a paper copy of the tentative WDRs/NPDES and Master Recycling Permit is being sent to the Discharger only. The tentative WDRs/NPDES and Master Recycling Permit are available electronically on the Central Valley Regional Water Quality Control Board's (Central Valley Water Board) web site at:

The Central Valley Water Board has not reviewed or made any decision concerning the tentative WDRs/NPDES and Master Recycling Permit, which may still be revised following the comment period. Revised documents along with comments and staff responses will be posted on the above web site and placed in the Central Valley Water Board meeting agenda. The Central Valley Water Board will consider these and any appropriate oral testimony at the scheduled public hearing.
