SUBJECT City of Colfax Wastewater Treatment Plant, Placer County

BOARD ACTION Consideration of Rescission of Cease and Desist Order R5-2011-0097.

BACKGROUND On 2 December 2011, the Central Valley Water Board issued Cease and Desist Order (CDO) R5-2011-0097 for the City of Colfax Wastewater Treatment Plant. The CDO was issued to address violations of Waste Discharge Requirements (WDRs) Order R5-2007-0130 and to update requirements contained in CDO R5-2010-0001. The 2011 CDO required the Discharger to comply with the WDRs and execute the following tasks: (a) complete collection system inflow and infiltration projects, (b) dewater Pond 3, (c) install a liner in Pond 3, (d) complete a copper water effects ratio study, (e) submit an updated water balance and storage capacity evaluation, (f) and submit quarterly progress reports describing work completed.

The Discharger has achieved compliance with the CDO by completing all of the tasks required by the Order. Therefore it is appropriate to rescind the Order.

RECOMMENDATION Rescind Cease and Desist Order R5-2011-0097.
