FOR
BEAR VALLEY COMMUNITY SERVICES DISTRICT AND

WASTEWATER TREATMENT FACILITY
KERN COUNTY**

TO ALL INTERESTED PERSONS AND AGENCIES:

The tentative Waste Discharge Requirements (WDRs)/NPDES Permit for the Bear Valley Community Services District Wastewater Treatment Facility is available for public comment, as explained in the enclosed Notice of Public Hearing. To conserve resources, a paper copy of the tentative WDRs/NPDES Permit is being sent to the Bear Valley Community Services District and Bear Valley Springs Association (hereinafter jointly referred to as Discharger) only. The tentative WDRs/NPDES order is available electronically on the Central Valley Regional Water Quality Control Board's (Central Valley Water Board) web site at:

http://www.swrcb.ca.gov/centralvalley/board_decisions/tentative_orders/

The Central Valley Water Board has not reviewed or made any decision concerning the tentative WDRs/NPDES Permit which may still be revised following the comment period. Revised documents along with comments and staff responses will be posted on the above web site and placed in the Central Valley Water Board meeting agenda. The Central Valley Water Board will consider these and any appropriate oral testimony at the scheduled public hearing. The Central Valley Water Board may elect to adopt WDRs/NPDES Permit that differs from the recommended WDRs/NPDES Permit and may do so without another public comment period if determined to be consistent with applicable laws and regulations.

The Central Valley Water Board is implementing a Paperless Office system to reduce our paper use, increase efficiency, and provide a more effective way for our staff, the public, and interested parties to view documents in electronic form. Please email any comments to centralvalleyfresno@waterboards.ca.gov. In the subject line of the email please include "Bear Valley WWTF Comments" and address the email to Alex Mushegan.

If you have any questions regarding the tentative WDRs/NPDES Permit or if you wish to request paper copies, please contact Mr. Alex Mushegan at (559) 488-4397 or at Alexander.Mushegan@waterboards.ca.gov.
