**RE: Proposed Amendment to the Postclosure Maintenance Plan (Appendix J-3) for the
Berry Street Mall Sanitary Landfill; SWIS #31-AA-0120**

Dear Mr. Sheehan:

Environmental Health Services, as the Local Enforcement Agency (LEA), has reviewed the proposed amendment known as Appendix J-3, received as final on June 20, 2013, requesting parking along the fenceline facing Galleria Blvd. (East boundary of property) for employees of the adjacent Green Acres Nursery to the south of the landfill area. As a part of the review process for this amendment, we have notified the Central Valley Regional Water Quality Control Board (CVRWQCB), CalRecycle, and the local planning agency (City of Roseville).

I have been informed by the City of Roseville Planning Department that any additional parking for Green Acres Nursery would be required to have additional approvals from the City. Please contact the City of Roseville for further requirements. Therefore, the LEA will consider this application on hold until written approval of the proposal has been received from the City of Roseville. Review will continue once the City approval has been received.

If you have any questions, please contact me at (530) 745-2345 or phollowa@placer.ca.gov.

Sincerely,

Paul Holloway, R.E.H.S.
