Jeff,

We appreciate your efforts in trying to get this out for the July hearing date. I have quickly reviewed the documents and will do so once again after Marc at Condor has reviewed them as well.

Presently we would like to make you aware of the fact that Eagle Bird Mining Company, LLC bought the claims from the Dorothy Wilder Trust back in December of 2013. We are presently sole owner of those claims. I will have Kimberly in my office forward on to you proper verification.

Thanks  
Eugene Shannon
