Response to Written Comments for  
Tentative Waste Discharge Requirements  
for  
County of Tulare  
Kennedy Meadows Municipal Solid Waste Landfill, Tulare County

This document contains the responses to written comments received from interested parties regarding the proposed tentative Waste Discharge Requirements (WDRs) for the County of Tulare, Kennedy Meadows Municipal Solid Waste Landfill, Tulare County for postclosure maintenance. Tentative WDRs R5-201X-XXXX were prepared to update postclosure maintenance requirements for the landfill and incorporated Monitoring and Reporting Program R5-201X-XXXX (MRP). Currently, WDRs Order 5-01-098 regulate the Facility.

The Tentative WDRs were circulated on 18 September 2015 for public comment, ending on 21 October 2015. A total of one letter/email was received from the County of Tulare and these comments are addressed below.

Comments submitted during the comment period were received from the following:

- A. Scott Pfanstiel, County of Tulare, Solid Waste Department, 12 October 2015

## **RESPONSE TO COMMENTS**

### **Comment A.1:**

The bottom of page 4 of the MRP schedule indicates that Semiannual reporting for the periods ending 30 June and 31 December are due 1 August and 1 February respectively. Please change the due dates to 31 August and 28 February so as to be consistent with other Tulare County site MRPs. Also, please change the dates where they repeat on page 6 of the MRP.

### **Response A.1:**

The recommended revisions have been made to the MRP.

### **Comment A.2:**

The top of page 5 of the MRP schedule indicates that the annual monitoring report is due 1 February. Please change the due date to 28 February so as to be consistent with other Tulare County site MRPs. Also, please change the date where it repeats on page 7 of the MRP.

### **Response A.2:**

The recommended revisions have been made to the MRP.
