

ITEM: 19

SUBJECT: Scope of November Irrigated Lands Hearing Panel

BOARD ACTION: *Informational*

BACKGROUND: At its April 2016 meeting the Board approved the creation of a hearing panel to hear enforcement cases for the Irrigated Lands Program, in the Fresno Office. Staff is requesting Board approval to expand the scope of the panel to cover dischargers who have not submitted required Farm Evaluations, in addition to dischargers who failed to obtain regulatory coverage.

ISSUES: There are no known issues associated with the renewal.

RECOMMENDATION: Adopt the proposed order.
